

ADD SOME CLARITY TO YOUR LIFE

Relax. Feel the Rejuvenation of Clarity.

We want you to be able to go from stressed to relaxed in the time it takes to say “ahhh.” Every seat in a Clarity Spas hot tub delivers a custom hydrotherapy experience. Strategically placed stainless steel jets target the areas where you most feel tension. Enjoy the ability to adjust the pressure and temperature of the water, allowing you to create an environment so you can feel your best.

STRESSRELIEF NECK AND SHOULDER SEAT™

The StressRelief Neck and Shoulder Seat features specially designed shoulder jets that apply tension-relieving massage where it's needed most, across the neck and shoulders.

HYDROTHERAPY JETS

Power away the day's stress with perfectly positioned hydrotherapy jets. Many jets are fully adjustable, which means your massage can be customized from a nice gentle touch to a maximum muscle-kneading force.

CASCADING WATERFALL

Enjoy the soothing sights and sounds of gently falling water with a cascading waterfall.

LED LIGHTING

Beautiful interior LED lighting features adjustable color options to create a sense of tranquility.

STAINLESS STEEL JETS

Stainless steel jets provide a luxe look with superior durability.

ENERGY EFFICIENCY

Every hot tub is built to not only meet but to exceed stringent energy-efficiency regulations. The craftsmanship results in what really matters — a superior experience and savings for you and your monthly utility bill.

MAGNETIC THERAPY

Our exclusive Master Force™ Bio-Magnetic Therapy System offers the benefits of magnetic therapy in the comfort of a hot tub. Magnetic therapy has been used for centuries to help relieve pain, improve circulation, reduce swelling, and alleviate stiffness. Today, more and more doctors and physical therapists are using magnetic therapy for the treatment of back problems, arthritis, and sports injuries.

That's why Master Spas, after extensive research and development, chose to combine the proven benefits of hydrotherapy with the pain-relieving comfort of bio-magnetic therapy. Our Master Force Bio-Magnetic Therapy System applies strategically placed magnets to two pressure points behind the neck and eight throughout the shoulders, back, and seat areas in our exclusive StressRelief Neck and Shoulder Seat.

CLEAN, PURE WATER

At Master Spas, we want you to spend more time enjoying your hot tub and less time taking care of it. That's why we developed the patent-pending EcoPur® Charge Master Core Technology water purification system — an exclusive filtration system that makes maintaining your hot tub's water easier. Using the same multi-stage filtration techniques as Mother Nature, EcoPur Charge relies on a unique blend of copper and zinc, which eliminates most microorganisms and removes heavy metals from the water. This results in sparkling water that feels softer and doesn't have the harsh chemical smells associated with common systems.

Live Life...with Clarity.

"Our hot tub has all the features I wanted, and it's perfect. I love the quality of our Clarity Spas hot tub. We use it at least two or three nights a week, and it has been amazing. It has helped us sleep and helped muscle aches from the gym."
